Stock Market Combo Chart...Breakouts

Posted on [October 2, 2017, 1:36 pm](#) by [Rambus](#)

All the different stock market indexes have now broken out above the top rail of their rising patterns except for the two tech indexes. The IWC, micro caps, continues to be the strongest sector. I know it may not feel like it, but rising wedges and flags that slope up in the same direction of the uptrend tells us the uptrend is very strong.
